These Terms and Conditions of Use ("Terms of Use") apply to the web site located at [www.sophrology.co.za](http://www.sophrology.co.za), owned by Sophrology South Africa (PTY) LTD, and all associated sites linked to [www.sophrology.co.za](http://www.sophrology.co.za) and owned by Sophrology South Africa (PTY) LTD, its subsidiaries and affiliates, (collectively, "Site"). The Site is the property of Sophrology South Africa (PTY) LTD and its licensors. BY USING THE SITE, YOU AGREE TO THESE TERMS OF USE; IF YOU DO NOT AGREE, DO NOT USE THE SITE.

Sophrology South Africa (SSA) maintains this product and information site (this Site) for your information, education, and communication. Your access to and use of this Site is subject to the following terms and conditions (Terms and Conditions) and all applicable laws. ## **Not Medical Care**

SSA's exercises and advice are not a substitute for medical care, and offer no health warranties or guarantees of any kind. The information provided on these pages is not meant to be a substitute for medical advice from your doctor or health care provider. Users of SSA are advised that health advice is often subject to updating and refining due to medical research and developments. SSA is committed to bringing you the most up to date information; however, we make no guarantee that the information herein is the most recent on any subject. You are encouraged to consult with your health care provider with any questions or concerns you may have regarding any health condition that you may have before starting any Sophrology exercises.

## **Use of the audio files**

The audio files can safely be listened to anytime, anywhere that you are in a place where it is safe to have your eyes closed. It is not safe to listen to the audio files while driving, working heavy machinery, or in anytime or anywhere that it would be dangerous to have your eyes closed.

Sophrology is a powerful self-development method. You may have emotional reactions while or after listening and participating in the exercises. These are usually normal reactions and are a sign that a change and transformation is taking place. We advise people to sit calmly breathing quietly and wait until the emotions have passed. If you are concerned about any reactions that may occur while, or after listening to one of the audios, it is important to seek advice either from your Sophrologist at Sophrology South Africa or from your health care provider.
